PROFESSIONAL PROFILE

Passionate Frontend Developer with over 1 year of professional experience in building scalable and responsive web applications. Specialized in React.js and modern CSS frameworks. Proven track record of translating complex Figma designs into high-performance code at leading tech firms in Nepal.

CORE COMPETENCIES

Languages & Core: JavaScript (ES6+), TypeScript, HTML5, CSS3/SCSS

Frameworks & Libraries: React.js, Next.js, Redux Toolkit, Tailwind CSS, Material UI

Tools & Others: Git, Figma, Docker, REST APIs, Jest, Vite

WORK EXPERIENCE

Junior Frontend Developer Jun 2023 - Present

EB Pearls Nepal

- Developed and maintained complex user interfaces using React.js and TypeScript for international e-commerce clients.
- Collaborated with UI/UX designers to implement pixel-perfect designs from Figma, ensuring cross-browser compatibility and mobile responsiveness.
- Optimized web application performance, reducing initial load times by 25% through code-splitting and lazy loading techniques.
- Integrated RESTful APIs and managed application state using Redux Toolkit.

Frontend Developer (Contract) Jan 2023 - May 2023

Freelance UI Project

- Architected a custom dashboard for a local logistics startup using Next.js and Tailwind CSS.
- Implemented real-time data visualization using Chart.js to track delivery metrics.
- Ensured 95%+ accessibility score across all pages according to Lighthouse audits.

INTERNSHIPS

Frontend Intern Sep 2022 - Dec 2022

Leapfrog Technology

- Assisted in the development of internal tools using React and Material UI.
- Participated in daily stand-ups and code reviews following Agile/Scrum methodologies.
- Fixed bugs and improved UI components based on user feedback and QA reports.

ACADEMIC BACKGROUND

Islington College (London Metropolitan University) Sep 2019 - Aug 2022

B.Sc. (Hons) Computing in Software Engineering
