Industry Expertise: Digital Payments (Fintech), E-commerce Logistics, Mobile Banking, Business Analysis

PROFESSIONAL EXPERIENCE

Senior Product Manager Apr 2020 - Present
F1Soft International

- Lead the product vision and roadmap for Fonepay's merchant ecosystem, serving over 500,000 active merchants across Nepal.
- Conceptualized and launched the 'Fonepay Business' app, resulting in a 45% increase in merchant engagement and self-service onboarding.
- Directed a cross-functional team of 20 engineers, designers, and marketers to implement interoperable QR payment standards.
- Optimized the merchant settlement engine, reducing processing time from T+2 to T+0 for selected tiers.

Product Manager Jan 2017 - Mar 2020
Daraz Nepal

- Managed the localized rollout of the 'Daraz Express' logistics platform in Nepal, achieving a 20% reduction in last-mile delivery errors.
- Collaborated with regional product leads in Pakistan and Bangladesh to adapt the Seller Center features for the unique needs of the Nepal SME market.
- Launched the 'Daraz Gems' loyalty program, which drove a 12% improvement in user retention over the first six months.
- Analyzed user behavior data to redesign the checkout flow, leading to a 5% increase in conversion rate for mobile app users.

Associate Product Manager Aug 2014 - Dec 2016
EB Pearls Nepal

- Managed the development of high-performance mobile applications for international and domestic clients, overseeing projects from discovery to deployment.
- Authored over 50 comprehensive Product Requirement Documents (PRDs) and wireframed complex user journeys using Balsamiq and Figma.

- Facilitated Agile ceremonies, including daily stand-ups, sprint planning, and retrospectives for three concurrent development squads.

Business Analyst Jun 2012 - Jul 2014

YoungInnovations

- Gathered technical requirements for open-data projects and aid-tracking platforms used by international development organizations in Nepal.
- Conducted user acceptance testing (UAT) and managed client communication to ensure project milestones were met on schedule.
